

Huntsville, Alabama	July 31, 2020	Facebook Post	Alabama Local	COVID-19: Huntsville-Area Update for July 31, 2020 These media briefings typically occur on Monday, Wednesday and Friday at 12 p.m. to provide the public with the most current information on our community's COVID-19 response. Closed Captioning provided.	<a href="https://www.facebook.com/56122181463_627288164658893">https://www.facebook.com/56122181463_627288164658893</a>
Birmingham, Alabama	July 31, 2020	YouTube Video	Alabama Local	you will be able to ask the mayor a question just press zero and while team happiness now let me introduce you the mayor to I understand WhatsApp x Ray Beijing by law fifth ions of suggestion of the road vallecillo thanks for take the time to join our call today we are currently in the budget formulation time for the city It goes without saying but this year has been the most unpredictable and challenging [Music] we've had facing as city and community but I want to thank you for your commitment, trust and patience we face these uncertain times as leaders in your communities you have been in the trenches keeping to their safe and connected families positivism means a lot to me and also to those who serve it receive my sincere thanks as together we navigate these waters uncertain we have realized that there are certain problems that are unique communities that can be language barriers to information timely or for effective interaction with health professionals sir i love you that's why it's important that I meet with you personally to clarify our support to you and your family a right write to him I want to be very clear and reiterate that we will not allow your rights are violated computed wish to have being and elements of the max were in the spirit the transparency transfer which is one of the core values of our administration I thought it was important to come to you today to talk about our position as a city and next fiscal year as you know how do you know kobe 19 will continue continues to be a significant economic impact on our city now there are many many companies have temporarily closed have reduced the hours completely enclosed those seven these closings have had a direct impact on the revenues of Our city landing english again after 20 forbade him to drain We anticipate that these closings will not reduce income by up to 20%. for the next fiscal year this loss of income requires that propose \$ 75 million less than budgeted in the fiscal year prior to force measurement spies bis channing Saturdays and now let me be very clear despite these difficult times I have made known that my number one priority is to ensure that services follow our municipal employees keep their jobs [Music] how job retention is critical we have to look elsewhere to keep costs down for this time and be in the midst of crisis or excluded opinion specifically for our	<a href="https://www.youtube.com/watch?v=K1enrmjs19A">https://www.youtube.com/watch?v=K1enrmjs19A</a>

Ketchikan Gateway Borough, Alaska	July 31, 2020	Facebook Post	Alaska Local	At the moment, Ketchikan is in the "yellow zone" for COVID-19 alert levels. To keep our community safe we all need to continue taking the following steps to keep our case count low to avoid overwhelming our health care providers: 1. Wear a mask when 6 feet of distance can't be maintained from others. 2. Maintain social distance from others outside of your "circle." 3. Limit gathering sizes so a minimum of 6 feet can be maintained. 4. Get delivery/carryout/curbside food orders or dine outdoors. 5. Continue to wash your hands regularly and use hand sanitizer when necessary. #stepsforahealthycommunity #stayhealthyketchikan #covid19	<a href="https://www.facebook.com/468288623505394_1190107324656850">https://www.facebook.com/468288623505394_1190107324656850</a>
Santa Fe Springs, California	July 31, 2020	Facebook Post	California Local	The tentative scheduled concert featuring Mariachi Ausente for Friday, July 31st at Heritage Park has been cancelled. We have replaced our concerts with our Drive-In Movie series at Little Lake Park. Accessible to attend only available through a registration process and for Santa Fe Springs residents only. The City of Santa Fe Springs would like to keep its residents safe and healthy during this time. Thank you for your patience and doing your part in stopping the spread of COVID-19.	<a href="https://www.facebook.com/743648295699653_3275322372532220">https://www.facebook.com/743648295699653_3275322372532220</a>
Malibu, California	July 31, 2020	Facebook Post	California Local	#Malibu, summer is heating up so get ready to cool down and come out for LAP SWIM ! The City of Malibu continues to offer services to the community even during the #covid19 pandemic. The Malibu Community Swimming Pool at Malibu High School will open for lap swimming on Sat, July 11 with COVID-19 safety precautions in place. All lap swimming use is by reservation only, no drop-ins accepted. To register, visit <a href="http://www.MalibuCity.org/Register">www.MalibuCity.org/Register</a> . To see the schedules of all of the City's excellent, COVID-19 safe aquatics programs for adults and kids of all ages and abilities, visit <a href="http://www.MalibuCity.org/Aquatics">www.MalibuCity.org/Aquatics</a> . Please note that this Saturday, Aug. 1, the swimming pool will closed for one day for @SMMUSD maintenance. @MalibuCSD @MalibuCommunityServices	<a href="https://www.facebook.com/288226384540377_3614818941881088">https://www.facebook.com/288226384540377_3614818941881088</a>

Santa Ana, California	July 31, 2020	YouTube Video	California Local	<p>neighborhoods we will begin our meeting in 45 seconds to allow attendees in the waiting room to join us spanish language interpreting is also available for the meeting and instructions are included on the slide that's being displayed and so once again welcome to the joint meeting of santa ana's french park plaza historic french park and a number of other neighborhoods in the vicinity of downtown and we will be starting our meeting in approximately 30 seconds instructions for those interested in spanish interpretation are provided on the screen there's a separate phone in line to receive spanish interpretation for our meeting tonight thank you very much while we're waiting for the rest of our attendees to join the meeting we're going to kick off with a poll and so on your control panel you should have the ability to um provide a response to this poll and so we'll be launching that right right now so you should see the poll on your screen have you been participating in many virtual meetings since covid19 we'll leave that poll open for just a minute or so so that people will start to respond what their experience has been and it's looking at it's looking like wow nearly 80 percent of our participants 70 of our participants have been on five or more of these virtual meetings since covid19 and 14 of our participants are saying this is their first virtual meeting and so welcome welcome it's so great for you to participate we're going to close the poll now and these are the poll results for that particular question um we've got one other poll question real quick before we kick off our meeting we have one other quick question for you guys well we'll come back we'll come back to that poll all right um welcome my name is scott kutner and welcome to the july 2020 joint neighborhood meeting hosted by staff from santa ana's neighborhood initiatives program i'd like to recognize our santa ana city council member david penalosa who is participating tonight i would also like to acknowledge our neighborhood leaders participating including joe andrade and sam romero of the logan neighborhood jeff dickman of historic french park financio chavez of the french park plaza hoa tish leon of the downtown neighborhood scott and dora burnett of the french court neighborhood ruben garcia laura garcia and jose liao of lacey i do</p>	<a href="https://www.youtube.com/watch?v=OdI9n1_wLTK">https://www.youtube.com/watch?v=OdI9n1_wLTK</a>

San Diego County, California	July 31, 2020	Tweet	California Local	cwhii Hi CW, There have not been any reports released for the 2019/2020 Grand Jury since their operations were suspended due to COVID-19. The Grand Jury remains on hiatus until it is safe for their return. Thank you	<a href="https://twitter.com/SanDiegoCounty/status/1289223374581817345">https://twitter.com/SanDiegoCounty/status/1289223374581817345</a>
Sonoma County, California	July 31, 2020	YouTube Video	California Local	thanks for viewing this morning uh for five questions with susan this morning i have the pleasure and the honor of interviewing um alma maguion who is the vice president of the hispanic chamber of commerce alma thank you so much for joining us today so here's your first question let's talk about local business today and the resilience that they are showing in the face of this pandemic how are our local latinx businesses adopting and adapting to the new restrictions imposed by the state first you're closed then you're open and then you're closed and how are they being impacted yeah so first off thank you so much for the invitation it's a pleasure to be here with you today and yes our businesses have continuously have to adapt whether it's the requirements to reopen their business or to remain open and this is really where we have seen the importance of having the boots on the ground approach and being able to go out there and present the protocols to our businesses one of the challenges that we have seen is of course how do we work through the digital divide and that's certainly where our chamber has come into place where we've worked very hard to go to the edb website go to the county website print out information on the protocols and all the ordinances and deliver them directly into the hands of our business owners so certainly that has been a challenge for both the businesses and for our chambers but we've been able to work through it another big challenge that i've seen has been access to funding so whether it's federal funds when it came to the ppp loans some of our businesses were simply not eligible for these funds or they were eligible but perhaps they were not prepared with their financials to then apply and as we know those funds went through fairly quickly also when it comes to grants one of the things that we have seen and i really want to voice the concerns of our business owners that grants should not be on a first come first serve basis we really need to focus on how as opportunities come up to apply for grants that we truly get those into the hands of our business owners that need them so really a call out to our county and to our supervisors that when these opportunities come up that we really look at it through the lens of equity and really get it to the hands of the business	<a href="https://www.youtube.com/watch?v=-8GXhjPJVQU">https://www.youtube.com/watch?v=-8GXhjPJVQU</a>

Seminole County, Florida	July 31, 2020	Facebook Post	Florida Local	<p>JULY 31: Learn more about Seminole County COVID-19 statistics at PrepareSeminole.org and FloridaHealthCOVID19.gov. DEATHS: Seminole County confirms ten additional deaths since yesterday's report. Find ages, genders, and date of death at FloridaHealthCOVID19.gov, on the State Linelist (linked report just below the State's dashboard). Ages of COVID deaths in Seminole County range from 34-104; the average age is 79.9. Please note, all Seminole County COVID deaths are reported once the medical examiner and epidemiology teams complete investigations to confirm COVID as the cause of death, meaning there is a delay between reported date and actual date of death. If COVID is listed on the death certificate as cause of death, that is how the death is reported. TESTING: Find locations for testing and appointment links at PrepareSeminole.org. With the potential for a tropical event over the weekend, sites may be suspended until safe. If you are experiencing delays with testing reporting, please call the Citizens Information Line at 407-665-0000 (Monday-Friday, 8:00a.m. to 5:00p.m.). Yesterday's testing positive rate was 4.8%. Once a patient is established with a positive test, a single case is created. If an established case (patient) retests with a positive result, a new case is not established. There have been no instances in Seminole County of a cleared case becoming reinfected.</p>	<a href="https://www.facebook.com/136300339746817_3285205924856227">https://www.facebook.com/136300339746817_3285205924856227</a>

County Mayor Carlos Gimenez (Miami-Dade County, FL)   Miami-Dade County, Florida	July 31, 2020	Tweet	Florida Local	<p>Miami-Dade County will be closing all parks, marinas &amp; golf courses this evening, as we prepare for the arrival of Hurricane #Isaias. #COVID19 testing at county &amp; state-supported testing sites has been suspended as of Friday until the storm passes. Info: <a href="https://t.co/cliUMm5GWX">https://t.co/cliUMm5GWX</a> <a href="https://t.co/miUx6b7Yia">https://t.co/miUx6b7Yia</a></p>	<a href="https://twitter.com/MayorGimenez/status/1289229208778969093">https://twitter.com/MayorGimenez/status/1289229208778969093</a>
Osceola County, Florida	July 31, 2020	Facebook Post	Florida Local	<p>Osceola County COVID-19 Update: Friday, July 31, 2020 According to the Florida Department of Health (DOH), since March 1, there have been 8,470 confirmed cases of COVID-19 in Osceola County, an increase of 189 reported from previous day. Find most recent updates for cases in the State of Florida at <a href="https://floridahealthcovid19.gov/">https://floridahealthcovid19.gov/</a>. ----  DEPARTMENT OF HEALTH URGES COMMUNITY TO TAKE PRECAUTIONS TO PROTECT EACH OTHER'S HEALTH: As we continue to see the number of confirmed cases of COVID-19 rise in our County, it is important that we all do our part in preventing the ongoing spread. It's vital to have good hand washing practices. Protect yourself, your family and your community from by frequently washing your hands, avoiding touching your face and wearing a face covering in public (required in Osceola County). Also, make sure to remember to avoid the Three Cs: - Closed spaces with poor ventilation. - Crowded places with many people nearby. - Close-contact settings, such as close-range conversation. Visit <a href="https://floridahealthcovid19.gov/prevention/">https://floridahealthcovid19.gov/prevention/</a> for more tips. -----  CORONAVIRUS TESTING: To make it easier for citizens to find available locations for community coronavirus (COVID-19) testing, the County has added a collection of the most recent sites identified to its website. For those seeking testing, find a list at <a href="http://www.osceola.org/covid19testing">www.osceola.org/covid19testing</a>. Osceola County's website is continuing to add links to resources that can assist members of both the residential and business community during this difficult time. Whether you need financial or employment assistance or resources for other necessities like food and health, you can find links in our COVID-19 support pages at <a href="http://www.osceola.org">www.osceola.org</a>.</p>	<a href="https://www.facebook.com/91825280193_10157028414625194">https://www.facebook.com/91825280193_10157028414625194</a>

Miramar, Florida	July 31, 2020	Tweet	Florida Local	PLEASE BE ADVISED: COVID 19 Walk-Up Testing at Vernon E. Hargray Youth Enrichment Center is closed effective Friday, July 31, 2020. 				still in effect for FL East Coast Overnight, Isaias strengthened to a Category 1 Hurricane. While Isaias has gained strength, the cone has shifted slightly away from South Florida including Hollywood, as of the National Hurricane Center's 8AM Advisory, there have been no changes to the Tropical Storm Watch in effect for the East coast of Florida from Ocean Reef to Sebastian Inlet. A Tropical Storm Watch means that tropical storm conditions are possible within the watch area, generally within 48 hours. No Garbage/Recycling Pickup on Saturday Due to the possibility of Tropical Storm force winds on Saturday, there will be no garbage, recycling or commingled pick up on Saturday. Customers are asked to secure garbage cans and solid/commingled and recyclable materials in a safe, sheltered location. City of Hollywood Emergency Management staff and public safety personnel continue to monitor the track and development of Hurricane Isaias. Residents should finalize their emergency plans and make sure they are prepared for the potential of severe weather and possible tropical storm conditions. Heavy rains and tropical storm-force winds may occur in South Florida, although it is still too soon for forecasters to determine precisely where these hazards will occur. Residents should continue monitoring this storm and ensure they have a hurricane plan in place and not focus on the forecast track of Isaias' center. Residents should use this time to finalize their personal hurricane preparations: Gather your hurricane supplies now if you have not already done so. You should have five to seven days' worth of supplies, such as non-perishable food and water, for each person in your household. Residents should refrain from cutting trees or doing additional landscaping projects until after this storm passes. Solid/commingled and recyclable materials should be properly secured in a safe, sheltered location. Secure any outdoor items that could be blown around in the storm. Bring them indoors or otherwise secure them as the storm approaches. Residents are encouraged to visit <a href="http://www.hollywoodfl.org/emergency">www.hollywoodfl.org/emergency</a> for hurricane preparation tips and information on other hurricane supplies. Before, during and after a storm important information will be posted on the City's website at <a href="http://www.hollywoodfl.org">www.hollywoodfl.org</a> , shared via CodeRED Alerts,

Lafayette, Louisiana	July 31, 2020	Facebook Post	Louisiana Local	Lafayette General Health will be administering COVID-19 testing from 8 a.m. to 4 p.m. today at the Northgate Mall. Testing is available to anyone, even those who may be asymptomatic. Members of the community should bring a valid ID and insurance card, if applicable. There are no out-of-pocket costs for those seeking a test and no one will be turned away based on their insurance status. Testing will be conducted in a drive-thru setting and everyone should remain in the vehicle at all times. There should be no more than four people per vehicle. We will also accommodate anyone who walks up, bikes up or is dropped off by public transportation. Community members will receive their test results within 3 - 5 days via the MyHealth patient portal. Those with a positive result will also be contacted by phone. For the safety of our healthcare workers, testing could be canceled due to weather conditions.	<a href="https://www.facebook.com/166009026799663_3339726202761247">https://www.facebook.com/166009026799663_3339726202761247</a>

Governor Larry Hogan (MD)   MD Office of the Governor	July 31, 2020	Facebook Post	Maryland General Assembly	"Family gatherings and house parties account for 67 percent of COVID-19 transmissions in Prince George's County, County Executive Angela Alsobrooks said during a Thursday press conference. County officials say that contact tracers have determined that 44 percent of people who contracted COVID-19 reportedly attended family gatherings and 23 percent reportedly attended a house party. Maryland Governor Larry Hogan says the trend is very much the same across the state of Maryland, saying on Wednesday that the number one cause of virus transmission in the state is family gatherings, followed by house parties, and then outdoor events. 'I think there's a false sense of security when you're spending time with family or friends, especially if you're at home or at a backyard [barbeque],' Hogan says... 'We are dead serious about this,' Alsobrooks says. 'As you know, this is a matter of life and death.'"	<a href="https://www.facebook.com/199826043375900_4539118892779905">https://www.facebook.com/199826043375900_4539118892779905</a>

Governor Larry Hogan (MD)   MD Office of the Governor	July 31, 2020	Facebook Post	Maryland General Assembly	"On Thursday, Maryland Governor Larry Hogan announced three additional COVID-19 testing sites, including a high-volume testing event at Ripken Stadium, a drive-thru clinic at the Ocean City Convention Center, and a new drive-thru VEIP site in Cecil County. 'Our aggressive statewide testing strategy--which we have expanded exponentially in recent months--is helping us to understand, identify, and stop the spread of this virus,' said Governor Hogan. 'The State of Maryland continues to make unlimited quantities of tests available to any jurisdiction that needs them to help address any shortages and delays.' The Maryland Department of Health, Harford County, University of Maryland Upper Chesapeake Health, the Aberdeen IronBirds, and the Aberdeen Police Department will host a one-time, high-volume, drive-thru testing event at Leidos Field at Ripken Stadium for individuals age 12 and older. ... Any Marylander who would like to be tested is asked to schedule an appointment for the event at Ripken Stadium by visiting covidtest.maryland.gov. This weekend, the state will host a drive-thru testing clinic at the Ocean City Convention Center in partnership with the Worcester County Health Department. The drive-thru clinic will be located in the parking lot at the corner of Convention Center Drive and Coastal Highway, and individuals will enter via Convention Center Drive."	<a href="https://www.facebook.com/907931509251615_3535134789864594">https://www.facebook.com/907931509251615_3535134789864594</a>

Midland City, Michigan	July 31, 2020	Tweet	Michigan Local	At Tuesday's Planning Commission meeting, the Commission decided to delay its Master Plan public input sessions due to COVID-19. Instead, residents will be able to participate in a collaborative survey effort w/ the Commission & @MidlandParksRec! <a href="https://t.co/rxX2EbiMqt">https://t.co/rxX2EbiMqt</a>	<a href="https://twitter.com/CityofMidlandMI/status/1289187299448758272">https://twitter.com/CityofMidlandMI/status/1289187299448758272</a>
St. Louis County, Missouri	July 31, 2020	Facebook Post	Missouri Local	orders going into effect *today at 5 p.m.* Watch the full video from this morning here: <a href="https://www.facebook.com/252997264891940/videos/923066724841870">https://www.facebook.com/252997264891940/videos/923066724841870</a> A persistent rise in COVID-19 cases has us taking the necessary steps to get the virus under control. Three of the actions mentioned earlier this week are in effect for the entirety of St. Louis County starting in a few hours. 1[?] FOR BUSINESSES : Beginning at 5 p.m., capacity limits for businesses will be reduced to 25 percent. Businesses must post signs inside and outside stating that masks and social distancing are required. All businesses shall require employees and volunteers to wear face coverings while at work. All businesses shall conduct daily screening of employees and volunteers who work in their facilities for symptoms of COVID-19. All businesses shall encourage employees and volunteers to quarantine or isolate if they have or are believed to have COVID-19 or if they have come into contact with someone who has COVID-19. Businesses should arrange for contactless payment, pickup, and delivery options whenever feasible and post the availability of these services. 2[?] FOR GATHERINGS OF PEOPLE : Gatherings will be limited to 50 or fewer people. Exceptions to this include, schools, daycare facilities, hospitals, urgent care centers, shelters, airports and polling places. Businesses covered above in capacity limits are not included in the 50 or fewer limit. These include grocery stores, retail stores and religious, spiritual and memorial services. All gatherings, whether covered under the above exemptions or not, are REQUIRED to follow social distancing and face-covering requirements. 3[?] FOR BARS : Bars must close by 10 p.m. each night. The county ordinance defines a drinking establishment as a business whose on-site sale of food to eat on the premises comprises no more than 25 percent of gross sales annually. FOR EVERYONE : People awaiting their COVID test results quarantine until they receive their results. We encourage employers will work with their employees to make quarantining possible. [?][?] The public health order detailing these changes can be found at <a href="https://stlcorona.com">STLCorona.com</a> . <a href="https://stlcorona.com/dr-pages-messages/public-health-orders/third-amended-order-for-business-and-individual-guidelines-for-social-distancing-and-re-opening/">https://stlcorona.com/dr-pages-messages/public-health-orders/third-amended-order-for-business-and-individual-guidelines-for-social-distancing-and-re-opening/</a> Watch the	<a href="https://www.facebook.com/146981798697803_3624479807614634">https://www.facebook.com/146981798697803_3624479807614634</a>

North Bergen Township, New Jersey	July 31, 2020	Tweet	New Jersey Local	North Bergen small businesses are eligible for grants of up to \$20,000 for COVID-19 pandemic costs resulting from closure, partial closure, or interruption of your business. <a href="https://t.co/8HcpsvkhvE">https://t.co/8HcpsvkhvE</a> #NorthBergenNJ	<a href="https://twitter.com/NB07047/status/1289282189515821057">https://twitter.com/NB07047/status/1289282189515821057</a>

Governor Michelle Lujan Grisham (NM)   NM Office of the Governor	July 31, 2020	Tweet	New Mexico Legislature	Mass gatherings remain unsafe and are not allowed. Please, do not gather in groups - when you do so, you provide the virus a perfect opportunity to spread. Stay home when possible and wear a face covering in public. Together we can and we will reduce the spread of COVID-19.	<a href="https://twitter.com/govmlg/status/1289219554162311168">https://twitter.com/govmlg/status/1289219554162311168</a>

<p>Mayor Bill de Blasio (New York, NY)   New York City</p>	<p>July 31, 2020</p>	<p>YouTube Video</p>	<p>New York Local</p>	<p>THE MOST IMPORTANT PIECE OF REEOPENING THIS CITY. A THING THAT MATTERS SO DEEPLY TO OUR CHILDREN AND FAMILIES AND THAT STARTING OUR SCHOOLS UP AGAIN. IT IS SOMETHING WE ALL FEEL DEEPLY ABOUT, PASSIONATELY ABOUT BECAUSE IT'S ABOUT OUR KIDS AND IT IS ABOUT THEIR FUTURE AND HEALTH AND SAFETY. WE ARE GOING TO TALK ABOUT THAT TO GIVE YOU A SENSE OF HOW I FEEL ABOUT BACK TO SCHOOL. FIRST, I WANT TO TAKE A MOMENT BECAUSE THIS IS AN IMPORTANT TIME OF YEAR FOR SO MANY NEW YORKERS, I WANT TO WISH OUR MUSLIM BROTHERS AND SISTERS SAFE AND, THIS TRADITION IS SO IMPORTANT IN THE MUSLIM COMMUNITY. THIS WILL BE DIFFERENT THIS YEAR BECAUSE OF WHAT WE'RE FACING WITH THE CORONAVIRUS. THE COMMUNITY IS STRONG. PEOPLE ARE STICKING TOGETHER AND HELPING EACH OTHER OUT. I WANT TO SAY TO EVERYONE I WISH YOU A WONDERFUL HOLIDAY. &gt;&gt;WHEN WE THINK EACH YEAR ABOUT GOING BACK TO SCHOOL, THIS IS A VERY IMPORTANT TIME OF YEAR. THIS IS A TIME FILLED WITH ANTICIPATION, HOPE, POSSIBILITY, WORRY, ANXIETY. WE ALL KNOW WHAT THAT FELT LIKE WHEN WE WERE KIDS. I CAN SAY THIS AS SOMEONE WHO IS A PUBLIC SCHOOL PARENT FOR THE ENTIRE EDUCATION OF BOTH MY KIDS, BACK TO SCHOOL TIME WAS A SPECIAL TIME EACH YEAR. THIS YEAR, IT IS FILLED WITH SO MANY OTHER STRONG EMOTIONS. THIS YEAR IT IS FILLED WITH A WHOLE DIFFERENT REALITY. THIS YEAR IS ABOUT HEALTH AND SAFETY FIRST. THAT IS WHAT WE WILL BE TALKING ABOUT. EVERYTHING WE DO WILL BE FOCUSED ON HEALTH AND SAFETY. HEALTH AND SAFETY FOR OUR KIDS, FAMILIES, EDUCATORS, SCHOOL STAFF. EVERY ONE OF US WHO WILL TALK TODAY, WE'LL TALK FROM THE PERSPECTIVE OF NOT JUST LEADERS, BUT PARENTS. WHAT WE WOULD NEED AND EXPECT FOR OUR OWN KIDS IS EXACTLY HOW WE APPROACH THIS TODAY. I AM NOT GOING TO DO ANYTHING WHEN IT COMES TO NEW YORK CITY PUBLIC SCHOOLS THAT IS ANYTHING LESS THAN THE STANDARD THAT I WOULD SET FOR MY OWN CHILDREN. I WANT TO KNOW WHAT EVERY PARENT KNOWS EVERY DAY, ARE YOUR KIDS SAFE? WE HAVE TO MAKE SURE THAT EVERYTHING WE DO GET THAT</p>	<p><a href="https://www.youtube.com/watch?v=NJLNODrG0Ns">https://www.youtube.com/watch?v=NJLNODrG0Ns</a></p>

Montgomery City, Ohio	July 31, 2020	Facebook Post	Ohio Local	Today we wish "Eid Mubarak" to our Muslim friends and neighbors as they celebrate Eid al-Adha or Feast of Sacrifice. It is one of the most important feasts in the Muslim calendar and celebrated by all Muslims. The festival marks the end of the pilgrimage to Mecca, in Saudi Arabia. Most Muslim-Americans celebrate with prayers, social gatherings, and sharing gifts and well wishes. Due to COVID-19, those gatherings, including pilgrimages to Mecca, are limited. "Eid Sa'eed" or Happy Eid, to our friends on this important Muslim holiday. #IamMontgomery	<a href="https://www.facebook.com/264522739455_10158701720459456">https://www.facebook.com/264522739455_10158701720459456</a>

<p>Council Member Russ Bradford (Nashville-Davidson Metropolitan Government (Balance), TN)</p>	<p>July 31, 2020</p>	<p>Facebook Post</p>	<p>Tennessee Local</p>	<p>announced today 21,023 confirmed cases of coronavirus disease (COVID-19) in Nashville/Davidson County. There have been two new probable cases in the past 24 hours. Probable cases refer to those that do not test positive in a diagnostic test but do have supporting epidemiological and clinical evidence that a COVID-19 infection has occurred. If a person is a close contact of a COVID-19 case and has a clinically compatible illness, he or she meets the criteria to be a probable case. Additionally, if a health care provider diagnoses a person with clinically compatible illness with COVID-19, this person meets the probable case criteria. Including both confirmed and probable cases, MPHD officials announced a total of 21,060 cases, an increase of 132 in the past 24 hours. The cases range in age from 1 month to 102 years. There have been no new probable deaths reported in the past 24 hours. When the health care provider who signs the death certificate determines COVID-19 disease was the cause of death or a significant condition contributing to death, this person meets the probable case criteria and would be considered a probable death. Two additional confirmed deaths have been reported in the past 24 hours, a 77-year-old man with underlying health conditions and an 84-year-old woman with a pending medical history. A total of one-hundred eighty-three (183) people in Davidson County have died after a confirmed case of COVID-19. Including both confirmed and probable cases, 192 deaths have been attributed to COVID-19. 16,380 individuals have recovered from the virus. Available Middle Tennessee hospital beds: 17 percent Available Middle Tennessee ICU beds: 14 percent The MPHD COVID-19 Hotline received 55 calls on Thursday, July 30, 2020. <p>Commissioner Wesley Wright (Lakeland, TN)   Lakeland, Tennessee</p>	<p>July 31, 2020</p>	<p>Facebook Post</p>	<p>Tennessee Local</p>	<p>THE COVID-19 UPDATE JULY 31ST 2020 Today marks day 140 of the Joint Task Force. According to the Epicurve, it looks like we experienced our high point in July. We are on a decline in cases and positivity rate (see images). The projection still shows a peak in October (see image), but the current trends do not confirm that. There is a recorded 73.8% recovery rate with cases, closing more out is a good sign according to the SCHD. We are currently hovering at about a 1.07 reproductive rate (R0). The hospital occupancy rate is normally about 90% utilization pre Covid-19. Dr Jain discusses the 20,000 cases, extrapolated: It's possible 200,000 people in our county that may have had Covid-19. Dr Horrell speaking for the municipal schools, schools systems need some clear definitive guidance on contact sports. Notes from Today: - Shelby County with 20,797 cases, 275 deaths, 1.3% mortality, and 10.4% cumulative positivity rate. - Positivity rate averages according to a local medical advisor: Latinos 40%, African Americans 20%, Caucasians 15% - this correlates with hotspots. - Dr Jain: Hospitals need to think about a 3 fold increase over the next 2 - 4 months. - Labs still experiencing shortages of reagents - Dr Warren asks for chart showing correlation of passed ordinances with Covid-19 trends - One hospital rep poses that we have an estimation extrapolated from other populations but not a local number on antibodies, Dr Jain confirms we do not. - Questions were raised on metrics, thresholds and levers - Methodist Lebonheur sent out guidance - MLGW extending moratorium on cutting off - High case rates throughout Shelby County, zip codes along the Mississippi border the worst hit - Lowering of the reproductive rate (see chart) - Two weeks with over 300 hospitalizations but stable Let's continue to care for our loved ones, support our small businesses, let's stay safe and #FlattenTheCurve</p>	<p><a href="https://www.facebook.com/1524760344250371_3251181604941561">https://www.facebook.com/1524760344250371_3251181604941561</a></p>
<p>San Angelo, Texas</p>	<p>July 31, 2020</p>	<p>Tweet</p>	<p>Texas Local</p>	<p>The 2 p.m. COVID-19 report will be delayed. We are waiting for finalized numbers from the health department. Thank you for your patience!</p>	<p><a href="https://twitter.com/CityofSanAngelo/status/1289276234535337984">https://twitter.com/CityofSanAngelo/status/1289276234535337984</a></p>

Smith County, Texas	July 31, 2020	Facebook Post	Texas Local	<p>Proposed Budget, which drops the tax rate by a full penny from the current fiscal year in an effort to provide tax relief to property owners during this time when so many have been affected by the COVID-19 pandemic. Since late June, the Commissioners Court has held multiple budget workshops to discuss the Proposed Budget and receive input from the public. Now that it has filed with the County Clerk's Office, the Commissioners Court will hold additional public meetings on the Proposed Budget and proposed tax rate before adopting those items on August 25. Fiscal Year 2021 goes into effect October 1, 2020. Recognizing the economic hardships that many citizens in Smith County have had to endure through COVID-19, the proposed budget seeks to lower the property tax rate from 34.5 cents per \$100 valuation to 33.5 cents per \$100 valuation in FY2021. This decrease is anticipated to be about a half of a cent below the No-New-Revenue Rate (formerly known as the "Effective Rate"), though the final calculation of the No-New-Revenue Rate had not yet been provided to the County as of July 31. The tax cut means that the County would take in less revenue from property taxes in FY2021 than it did in FY2020 if no new property had been added. The only additional property tax revenue will come from new property development. "Cutting property taxes below the no-new-revenue rate is a rarity with governmental entities, and it is especially so during this time when the County's property tax rate is already among one of the lowest in Texas and its other sources of revenue such as sales tax revenue, fines and fees, and interest are decreasing significantly as a result of the COVID-19 pandemic." Judge Moran gave credit to the County's numerous elected officials, department heads, and the Auditor's office, all of whom worked hard early to find areas within their individual budgets to trim, knowing that many households in Smith County were having to do the same. "It is a reflection of your character, your dedication to public service, and your recognition of this extraordinary time and the need to reaffirm to all in this community, 'We are with you,'" he said in his cover letter to elected officials and department heads. In addition to making cuts, Judge Moran noted that the County will be able to weather this economic downturn without</p>	<p><a href="https://www.facebook.com/145385946351_10158327044281352">https://www.facebook.com/145385946351_10158327044281352</a></p>

Little Elm, Texas	July 31, 2020	Facebook Post	Texas Local	<p>The Little Elm Town Council will meet for a workshop and regular meeting on Tuesday, August 4, 2020, at 6 p.m. View BoardBook here: Governor Greg Abbott has granted a temporary suspension of certain rules to allow for telephone or videoconference public meetings in an effort to reduce in-person meetings that assemble large groups of people, due to the COVID-19 (coronavirus) public health emergency. In an effort to reduce the spread of the virus, for the July 7, 2020, Town Council meeting, individuals will be able to address the Council on any topic through submission of the webform found: <a href="https://www.littleelm.org/1258/Agendas-Minutes-Videos">https://www.littleelm.org/1258/Agendas-Minutes-Videos</a>. Forms received will be recorded into the record and be given to the Town Council. To view the live stream meeting, click <a href="https://www.littleelm.org/1258/Agendas-Minutes-Videos">https://www.littleelm.org/1258/Agendas-Minutes-Videos</a>.</p>	<p><a href="https://www.facebook.com/113633729114_10159983182909115">https://www.facebook.com/113633729114_10159983182909115</a></p>
Rowlett, Texas	July 31, 2020	Facebook Post	Texas Local	<p>This chart illustrates confirmed COVID-19 case counts numbers and available data as of 7pm Thursday, July 30 - Rowlett added 16 new cases. Key data continues to be unavailable for some fields and the additional charts we normally share - our Office of Emergency Management is working diligently to update this information. Sadly, we must also share the passing of an additional Rowlett resident, a man in his 50's with no reported underlying health conditions. Beacon Harbor Healthcare and Rehabilitation [?] 18 residents and eight staff have tested positive for COVID-19. [?] Three of those staff members have recovered. [?] The latest 23 cases have occurred within the last two weeks. [?] The 18 residents are included in our total case counts, staff are only counted in our totals if they are Rowlett residents. [?] Another round of facility-wide testing will be conducted tomorrow. [?] Texas Health and Human Services, Texas Department of Emergency Management, Garland Health Authority and Rockwall County Office of Emergency Management have been working with Rowlett Office of Emergency Management and Beacon Harbor staff to evaluate mitigation measures, investigate cases, ensure adequate PPE supply, coordinate testing, and ensure that everything possible is being done to protect Beacon Harbor residents and staff. Please continue to stay home and stay safe. Stay vigilant when you must go out - wear your face covering, maintain the six feet of social distancing from others not in your group and, most importantly, wash your hands often. These measures are critical not only to slow the spread and protect people's lives, but also to protect our economy from further closures and to prevent compromising the other health care services we need across the state. Rowlett will continue to alert the public about any new cases, but will restrict information to age range and gender as it is available to us. Please visit <a href="http://www.Rowlett.com/COVID-19">www.Rowlett.com/COVID-19</a> (<a href="https://bit.ly/38Kzli9">https://bit.ly/38Kzli9</a>) for more information, how to get tested, closures and the measures instituted to help protect our community. #MaskOn #MaskUp #MyRowlett #BetterTogether</p>	<p><a href="https://www.facebook.com/365918805861_10158156308210862">https://www.facebook.com/365918805861_10158156308210862</a></p>

Jefferson County, Washington	July 31, 2020	Facebook Post	Washington Local	<p>TRAVEL ALERT: One-boat weekend service continues on Edmonds/Kingston, Mukilteo/Clinton routes. Because of a continued shortage of available crew during the COVID-19 pandemic, service on the Mukilteo/Clinton and Edmonds/Kingston routes will remain on one-boat weekend service until further notice. The limited weekend service on the Washington State Ferries' routes began in July. The Edmonds/Kingston route is a primary access to and from the North Olympic Peninsula, while the Mukilteo/Clinton route connects the I-5 corridor north of Seattle with Whidbey Island. Washington State Ferries alerts people looking to travel on either route to plan ahead by checking Mukilteo / Clinton Schedule and Edmonds / Kingston Schedule and be prepared for long waits if driving onto a state ferry on the weekends. The #1 boat will be the only boat in service on these routes. Customers should consider traveling during non-peak times in the early mornings and later in the evening, and limiting non-essential travel, according to WSF. Those who do sail during this time are strongly encouraged to remain in their vehicles for the duration of their trip, while those in the cabin should practice safe physical distancing, wash your hands and avoid traveling if you feel ill. Galleys remain closed until further notice to help slow the spread of COVID-19 and protect the health and safety of our employees and customers. Please be reminded that face coverings are required in all public spaces in the State of Washington, according to WSF. "WSF apologizes for the inconvenience and asks for your patience and understanding during this challenging time. We will continue to provide updates as soon as they become available." #edmonds #kingston #travelalert #jeffersoncountywashington</p>	<p><a href="https://www.facebook.com/236159643133225_3225836597498833">https://www.facebook.com/236159643133225_3225836597498833</a></p>

<p>WV Department of Health and Human Resources</p>	<p>July 31, 2020</p>	<p>Facebook Post</p>	<p>West Virginia Legislature</p>	<p>DHHR reports as of 10:00 a.m., on July 31, 2020, there have been 281,451 total confirmatory laboratory results received for COVID-19, with 6,578 total cases and 116 deaths. DHHR has confirmed the death of a 98-year old male from Raleigh County. "We are deeply saddened by this news, a loss to both the family and our state," said Bill J. Crouch, DHHR Cabinet Secretary. In alignment with updated definitions from the Centers for Disease Control and Prevention, the dashboard includes probable cases which are individuals that have symptoms and either serologic (antibody) or epidemiologic (e.g., a link to a confirmed case) evidence of disease, but no confirmatory test. CASES PER COUNTY (Case confirmed by lab test/Probable case): Barbour (29/0), Berkeley (620/22), Boone (75/0), Braxton (8/0), Brooke (59/1), Cabell (303/9), Calhoun (6/0), Clay (17/0), Doddridge (4/0), Fayette (125/0), Gilmer (16/0), Grant (66/1), Greenbrier (85/0), Hampshire (71/0), Hancock (93/3), Hardy (53/1), Harrison (178/1), Jackson (157/0), Jefferson (282/5), Kanawha (776/13), Lewis (25/1), Lincoln (59/0), Logan (131/0), Marion (166/4), Marshall (120/2), Mason (45/0), McDowell (25/1), Mercer (136/0), Mineral (105/2), Mingo (115/2), Monongalia (869/16), Monroe (18/1), Morgan (25/1), Nicholas (31/1), Ohio (246/0), Pendleton (36/1), Pleasants (6/1), Pocahontas (40/1), Preston (100/23), Putnam (157/1), Raleigh (159/5), Randolph (204/3), Ritchie (3/0), Roane (14/0), Summers (7/0), Taylor (51/1), Tucker (9/0), Tyler (12/0), Upshur (36/2), Wayne (177/2), Webster (3/0), Wetzel (40/0), Wirt (6/0), Wood (220/11), Wyoming (21/0). As case surveillance continues at the local health department level, it may reveal that those tested in a certain county may not be a resident of that county, or even the state as an individual in question may have crossed the state border to be tested. Please note that delays may be experienced with the reporting of information from the local health department to DHHR. Please visit the dashboard at <a href="http://www.coronavirus.wv.gov">www.coronavirus.wv.gov</a> for more detailed information.</p>	<p><a href="https://www.facebook.com/546779578713278_3280224318702110">https://www.facebook.com/546779578713278_3280224318702110</a></p>
