WASHINGTON – Statement from American Beverage on President Trump's artificial intelligence action plan:

"We applaud President Trump's action plan to ensure America's continued leadership in the global pursuit of artificial intelligence innovation and infrastructure. Maintaining our edge in this technology is important to the growth of American manufacturing and the good-paying jobs manufacturers provide in communities across the country."

About American Beverage

American Beverage is the national trade organization representing America's leading non-alcoholic beverage companies. We represent a broad spectrum of beverage producers, distributors and franchise companies that make American products with American workers in America's hometowns. Together, they provide more than 275,000 family-supporting careers and deliver \$324 billion in economic impact nationwide. Visit AmericanBeverage.org for more information.
